Hey Tony,

I'm doing this because I love you. I think it's best for the both of us if you step down from your position. I'd love if you focused on your mental health first. I would not have gotten here without you, but with your new diagnosis, I do not know if it's safe for you to be in the public eye during this time. Hope you understand.

Best,  
Steve

To Steve,

Ha! Nope. We started this together, I want to get through this together. I can handle this. Plus, you can't replace me. I'm too valuable.

Tony,

I can argue with you all day. But, this is non-debatable. After my wedding, you will be forcibly removed and replaced. I am doing this so you can get better. We can discuss options when treatment works.

# Hey Nat,

It's been a stressful month. I was hoping if you could plan and pack for the Vegas trip. I mean seriously pack for everyone :). I know it's a lot but we really need to relax. If you could please pack our clothes, send the schedule to everyone, and even make sure we have the proper medicine. This is very personal, but please pack Tony's Abilify. Marijuana is legal in Las Vegas so please make sure we stay away from that... for Tony's sake. You can google why. You're the best!

Plan looks great and fun.  
Excited to see everyone at  
9pm at the Circa after the  
tuxedo fitting. Great job!
